Re: E.ON Entities' - Petition for Confidentiality received 5/21/08
PSC Case No.: 2007-00455

Sir/Madams:

The Public Service Commission has received E.ON Entities' Petition for confidential treatment requesting to protect as confidential certain information contained in its "Handout" presented at the informal conference on May 9, 2008 to the Commission staff and those parties that had signed a confidentiality agreement. This information is described as consisting of specific financial details regarding consideration to be paid by E.ON Entities to secure non-jurisdictional parties to the transaction which is the subject matter of this case.

Based upon a review of the information, I have determined that it is entitled to the protection requested on the grounds relied upon in the Petition and should be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, E.ON Entities is required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Stephanie Stumbo,
Executive Director
